TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript

Backend: PHP, Node.js (Basic), C++
(OOP)

Databases: MySQL

Frameworks: Laravel, MERN (Basic)

Tools: Git, GitHub, VS Code

LANGUAGES

Urdu: Native

PROFESSIONAL SUMMARY

A driven and curious Computer Science student at UET Lahore with a strong foundation in OOP, web development (LAMP stack), and modern MERN concepts. Eager to apply my technical skills and passion for problem-solving in a challenging internship or junior developer role. Proven ability to learn quickly, as demonstrated by self-study and active participation in courses on platforms like Code Alpha and Yashfeen College.

EDUCATION

● BS Computer Science

UET Lahore | 2024 - Present

Currently in 3rd Semester. Relevant coursework: Data Structures, Algorithms, OOP.

● ICS (Computer Science) - 980 Marks
